

WHO WE ARE

NexPhase Capital is a private equity investment firm focused on growth-oriented, lower middle market companies within the healthcare, industrial services, software and consumer sectors. We apply our sector-focused strategy to identify and invest in leading companies and support their continued success.

Our experienced investment team is bolstered by the insights and vision of respected operating professionals with a range of industry and operational expertise. We strive to accelerate the growth of our partner companies and create value for all stakeholders.

NexPhase was formed in 2016 by the former principals of Moelis Capital Partners and continues to co-manage \$872MM of legacy private equity capital.
